*Working with children with special needs and their families.*

## **\*\*\*\*NWCSG Covid-19 Update\*\*\*\***

---

It was with great regret that all holidays and events were cancelled last year due to the pandemic, however, we are still keeping our options open for 2021.

As soon as government announce their plans on uplifting restrictions for the summer, we will then be in a position to decide whether or not any of our holidays will run.

We will update you soon.
